“ Words cant express how hurt i am finding out my best friend “spoon” we called him was laid to rest. I met him 11 years ago on a game called far cry 4 on the ps3. We both knew this prank calling youtuber and started joking around about the videos, since then we clicked. He was THE funniest person i ever met, so many hours we stayed up playing ps3 4 and 5. so many times we laughed till we couldn’t breathe. one time i even fainted from laughing so hard. Anytime i needed advice he was there, like a big brother i never met in person. He always gave you the real, he stood up for what was right and held his ground. We always planned to hang out in person one day. we both shared our love for cars, asking me what rims he should get or what he should buy for his charger next. Not only was he a friend he was a great mentor. I never would’ve imagined that this would take place and that i wouldnt get closure for why my truest friend wouldn’t reply, almost a year i was worrying. i love you dawg rest easy, till we meet again 🙏🏾🙏🏾
