“ *Marlyn Grindley (nee Tullis). I knew Brother Cess from I was a toddler and neighbour to the Daley family. We all grew to be one big family and I have only fond and rich memories of him. RIP Brother Cess and may light perpetually shine on you.*

“ *I did not know Mr. Daley until a few years ago when he was already ailing. Nevertheless, it was quite clear that he was a pleasant and kind person. My deepest condolences to his grieving family. May his Soul Rest in Everlasting Peace!*

“ I remember Mr. Daley with deep fondness and gratitude. During our school days, walking to his store from school with Karen was part of our daily routine. He always welcomed us with a kind smile and a generous spirit. His store was more than just a stop — it was a place of warmth and familiarity.

Mr. Daley had a gentle way of making us feel at home and he treated us like family.

I am grateful to have known him during those formative years and will cherish those meaningful moments forever.

Rest in peace, Mr. Daley.

“ He was a gentle giant who always had time to speak with me when I visited him at Daley's Fashion. His eyes would light up when he spoke about his children. May his soul rest in peace 🙏
