“ *My condolences to the family of Mrs.Eileen Brown-Campbell  
I know this is a difficult time to lost close loved one  
Hopefully the Lord may give strength and comfortness to the family and friends during this bereavement period*

*I'm a past student of Ardenne High School 1987-1992  
I remember Mrs.Campbell so well like it was yesterday she is a very kind person always encouraging and looking out for others despite she may not know you  
Many days i remember coming in the canteen and don't have any money  
Mrs.Campbell will offer me a lunch or a patty,cocobread juice or soda  
I never forget her kindness  
May her soul RIP her work on earth is done but I know she'll be continuing doing her good deeds in heaven*

*To Stacy and all other members Mrs Campbell's family, please accept my sincere condolences.  
My life has been the richer for having this beautiful, humble and caring Christian lady as my co-worker at Ardenne High. I will always cherish those times of fellowship we shared especially the prayer meetings which were held in the canteen every morning before school started.  
I have every confidence that she will be among that number who will rise triumphant from the grave when our Loving Saviour returns!!!!*
