“ To my Grand Aunt you will be missed greatly and may you REST IN PROTECTION! When I was a little boy you made me feel part of the family no different than my own grand mother and mother you took care of me with love and for that I am forever grateful along with all the other grandaunts and uncles that we have lost along the way. I'm sorry that I'm absent as you were always there for me but I promise I will continue to hold in high regards.
