“ To the Kelly family on behalf of the Barnswells'
I must continue where my sister Sandy left off. Marty was more than a special person. I was fortunate to observe his generosity and compassion. I am humbled touched by the times. Marty left a positive indelible impression on our community. His unique chuckle, his willingness to help especially the elderly is noteworthy. Words cannot express how we are saddened by passing. Please accept our heartfelt Sincere sympathy.

“ *Marty. You were a special person, you possessed some unique and innate characteristics. To name a few you were compassionate, selfless, and generous. You've exhibited such quality characteristics to almost everyone in Copse. I was afforded the opportunity to observe you show compassion and generosity when you 'pass through' to check up on dad, Mr. B (Barnswell). My family was and remains grateful for those visits. Thank you. Take you rest.*

“ A candle that burns bright even at day light...you burn passion, love, respect in our hearts...you were a father and a friend...I miss you endlessly but I take comfort in knowing, that you are resting in the arms of our lord....even though you were stubborn at times, I value the times we spent laughing and singing...I am sad that I didn't get to spend more time with you....Mr.Kelly...a name that will not be eager to come off our lips...you are forever in my ❤️

“ *My sincere condolences to the Kelly family on the passing of Marty. When my brother Georgie was diagnosed with cancer, Marty became brother, best friend and care giver extraordinaire to him; and was there every step of the way, to not only my brother but the entire family. I could always pick up the phone and get an update on Georgie from Marty. And for that we will be eternally grateful for Marty's kind heart, caring ways and for the decent human being he was.*

My friend I am going to miss our verandah chats and I don't know who I will get to make my escoveith sauce for my fried fish, when I am next in Jamaica. Walk good my friend, you are out of your pain, and have earned your rest.

Forever in our hearts (Rose, Leisa, Phillip, Michael aka Chopha/Mr. Wok, and Waynie)
