

Ida May Park

August 26, 2021

Ida May Park passed away on Thursday August 26, 2021, at Cornwall regional hospital. She was a mother of 10. Grandmother of 32, and great grandmother of 14. She is survived by her children and grandchildren. She will be remembered as the prayer warrior that she was both within her family, her community and her church. She was always very involved with her children and grandchildren she enjoyed being in the process and they had a close knit connection. Nothing pleased Ida more than to express her love to her family. She enjoyed traveling and visiting her family but all fail in comparison to being home in her community where she can help take care of others, it was her gift even when she could barely manage on her own. She will be missed by family and friends.
