“ I worked with Janette at the FSC in the mid-2000s. She was a very professional team player who radiated genuine warmth and displayed integrity. RIP my Sister in Christ.

“ I met Janette in 6th form, Glenmuir High School. She was indeed, very adept in her school work. I reside in Toronto for quite a number of years now but when I heard of her passing, a flood of memories as schoolmates came flooding back. Pleasant memories. I am sorry for your loss and my deepest condolences. Her passing also hit me hard although we had not kept in touch. She represents a part of my younger years and indeed, Janette was a lovely person. My name is Christine Stought-O'Gilie.
