“ *To Hopi and all extended family- my sincere condolences to you you all.*

Janice you will always be remembered for your strength, stamina and fight. I'll cherish your honesty re your struggle against combating your enduring health. This cannot be dismissed., I will always remember the first time we met whilst and thinking 'what a beautiful girl'. The last time we spoke, we reminisce and laughed about the many things good in life your children and your mum.

You are resting now and around gods thrown. No pan. No Sorry. You were loved by all, especially your mum , but god loves you best. Sleep on till we meet again.

“ The trouble is, we think we have time. It seems like yesterday we sat in the quad, or were teammates playing netball. I was always drawn to Janices quiet spirit which mirrored mine. My heart breaks for her children and they are in my thoughts and prayers. Sleep in peace my friend.
