“ My condolences to you and your family in this time of grief, while words fail to capture the pain of losing a loved one we look forward to the time when they will resurrected back to life and words will fail to capture the joy you will feel when our heavenly father return Joy Marline to you (act 24:15) John 5:28,29  
Without a doubt our primary source of consolation is our God Jehovah who promise s to comfort us in all our trials as the scripture stated at 2 Corinthians 1:3 -4 so don't hesitate to pure out your heart to Jehovah because he understands how you are feeling.  
Here I enclosed with a website [www.jw.org](http://www.jw.org) here you can find publication and video that will help you to understand more about the resurrection hopes feel free to reply by email
