“*Heartfelt condolences go out to Miss Lorna's family during this difficult time. Losing someone dear to us is never easy, and I can only imagine the pain and sorrow you must be feeling.*

*Miss Lorna was loved and cherished by many, and her presence will be greatly missed by all who knew her. May her kind and gentle soul find eternal peace, and may her memories bring comfort in the days ahead.*

*May God grant all the family the strength and courage to face each day, and may His guiding light illuminate your path forward.*

*With deepest sympathy,  
Ron & Sonia*
