“ Dear Mom, words cannot express how much I love and miss you daily. Your unwavering love, and dedication towards your children, grandchildren and all the other people who you loved and adored speak volumes.

It's a pity you will not get to meet your 3rd grandchild, but I promise I will tell him how much you loved him and was anticipating the day of your arrival. Losing you so soon had been the hardest thing I ever endured but I know your resting in the arms of your God.

Sleep In Eternal Peace Mommy 🕊️

“ Gone too soon. Your passing left a void, no more madge to call when I get there. Only God knows what you were going through. He only takes the best so fly high with the angels. R.I.P Madge.

Condolences to Andre, Michelle, Anthony, Dontae, and Alex...take heart and remember what your mother and grandmother taught you. Michelle I know you try your best with her, but she have to go and there is a place for a child like you. So hold on, for joy come with the morning and the sun will shine again.

Sending love from home Elsie + Kiyanni <3
