“ Dearest Sandra

We cherish the times we spent together, both in Jamaica and England. There was so much laughter and joy. The children still have fond memories of their first trip to Jamaica, when we all climbed Dunn's River together. Natasha remembers your beautiful style and how your nails were always immaculate, while Justin would look forward to your visits while you were working for Air Jamaica. He still has the toy cars you gifted him as a child.

During your visit to England, we enjoyed visiting Buckingham Palace, and you experienced fish and chips for the first time in a pub! Those simple, happy moments remain close to our hearts.

There are no words to express how deeply your passing has affected us all. You hold a special place in our hearts and will be sorely missed. Now rest in peace, secure in the everlasting arms of the Lord.

*Lots of love,
Grace, Chris, Natasha & Justin*
