“ Bless Up Lighty.....He was always an inspiration as an Elder. I used sit with him while he run his music on tape, we used to listen some chune.
He always has a calm temperament, caring and thoughtful.

Never knew you completely but for brief moments in life we did share thanks for sharing our history 😊. I might a lot to hear our story and Steve since I never truly met you until later on in my life.

Thank you for living a life worth living and enjoying every moment.

I hope your last moments ending with a clear heart so you may test your head to sleep peacefully.
