“ Dear Mrs Merline

My condolence to you and your family in this time of grief, while words fail to capture the pain of losing a loved one, we look forward to the time when words will fail to capture the joy you will feel when our heavenly father return your dear husband to you. without a doubt our primary source of consolation is our God Jehovah because who promises to comfort us in all our trials as the bible scripture stated at 2 Corinthians 1:3-4 so don't hesitate to pour out your heart to Jehovah because he understands how you are feeling . here enclosed with a website JW.ORG there you will find publication and video about how the dead can live again.
