“ My deepest condolences to the Ricketts family. My heartfelt sympathy to you all at this time. Hearing about Bro Ricketts unexpected disappearance has left me heartbroken.

Losing a loved one is never easy, but do know that you are in my dearest thoughts and prayers. I encourage you to stay strong as you lean on loved ones who can offer you comfort during this unimaginable painful time. Know that God's arms are already wrapped around to comfort and strengthen you.

The world has lost an exceptional man. Brother Ricketts was one of the humblest people I know. His humility could not go unnoticed. He was one who led by example. If you want to know the type of man Bro. Ricketts was just taking a look at his sons, Ricky, Robino and Revondo. AND if you have had the opportunity to listen to Sister Pearline Ricketts, the way her face always beamed with pride whenever she spoke of him tells you that he was an amazing person.

Knowing Bro. Ricketts was a privilege and an honor. I have learnt so much from him. Though a gentle personality, he stood tall as a giant in the community of prosperity as everyone looked up to him with deep respect and as someone they could emulate. He was such a kind neighbor. He would often reach across the fence with goodies from his backyard farming. Bro. Ricketts was one person who always ensured that the children were not neglected and would give special attention to their spiritual development in Bible class and encouraged their growth in leadership.

Sister Ricketts, "Rico", as you affectionately called your husband, may you look back on the precious memories you shared with him and find peace, knowing that not only was he an amazing husband, he was an outstanding partner who will live in your heart and memories forever.

Ricky, Revondo and Robino, nothing I can say will take away the pain you are experiencing. Just know that I care and share in your sadness. May you look back on your precious memories and find peace, knowing your dad raised three amazing young men. May your dad's love and impact continue to shine through you. Remember that his love and selfless nature will forever be in your hearts.

In closing, weep, but do not do so as those without hope. In the words of Christ concerning Lazarus, Bro. Ricketts is not DEAD. He is ASLEEP. Let us take comfort that the day is soon coming, when the trump of God will sound and the dead in Christ shall rise first, and they, along with the righteous saints that are alive, will be caught up together to meet the Lord in the air.

May God give you peace in the midst of this storm. Sleep on Bro Ricketts until that great get-up morning.

Paula.
