“ To loose a love one is never easy. Continue to trust in God and He will heal your heart. My prayers and condolences are with you.

“ Dear Daddy, D,
I miss you so much! When you left me a part of me left with with you , no doubt. I am truly grateful to have a dad like you. You really loved me and showed me how much you care and was grateful for all that i have done for you. I have no regrets because at the end of our conversations we always tell each other " I love you", not knowing that would be our last. I made a promise to you that you would not be alone when you leave this earth and you wanted to be home. I delivered those promises to you except the one of you being laid to rest beside your mom, Ms. Amy. Whenever you're here with me I told you only the best for you and you saw and understood the sacrifices that I had to make to for you and my family. I know you're here with me always in my heart, praying for us as usual and with that infectious smile of yours that turns every frown into a smile. Your grandchildren, Ary & Mia miss you and I will continue to keep all those cherished memories alive. I promise to finish the project we started and take care of mommy. Until I see you in heaven at our Lord Savior's side, rejoicing with the angels, I love you my daddy, popsie, best friend.
Love always,
Sherine a.k.a Marie (Poochie)
